

Bug ID: BUG-001

Title: enter 4 spaces at "first name" field

Description: when entering 4 spaces in first name field, data accepted without error message

Steps:

- 1-open <https://www.saucedemo.com/v1/>
- 2-enter "standard_user" at username field
- 3-enter "secret_sauce" at password field
- 4-press "login" button
- 5-make sure that all products are viewed with name, price, add-to-cart option and image.
- 6- add at least one product at the cart
- 7- click on "checkout" button
- 8- enter " " at "first name" field
- 9- enter any valid data at "last name" field and "zip code" field
- 10- click on "continue" button

Expected Result: show error message with "Error: only spaces are denied"

Actual Result: accepting the input data without error message

Priority: High

Severity: Minor

Screenshot:

The screenshot displays the 'Checkout: Your Information' page on the Swag Labs website. The page has a dark header with the Swag Labs logo and a shopping cart icon. The main content area is white and contains three input fields for checkout information. The first field, labeled 'first name', contains a single space character. The second field, labeled 'last name', contains the text 'sxcd'. The third field, labeled 'zip code', contains the text '45457'. Below these fields are two buttons: 'CANCEL' and 'CONTINUE'. The 'CONTINUE' button is highlighted with a red border. The footer of the page is dark and contains social media icons for Twitter, Facebook, and LinkedIn, along with a lightning bolt icon.

Bug ID: BUG-002

Title: enter 4 characters then 1 number at "first name" field

Description: when entering one number or more in first name field, data accepted without error message

Steps:

- 1-open <https://www.saucedemo.com/v1/>
- 2-enter "standard_user" at username field
- 3-enter "secret_sauce" at password field
- 4-press "login" button
- 5-make sure that all products are viewed with name, price, add-to-cart option and image.
- 6- add at least one product at the cart
- 7- click on "checkout" button
- 8- enter " mmmm1" at "first name" field
- 9- enter any valid data at "last name" field and "zip code" field
- 10- click on "continue" button

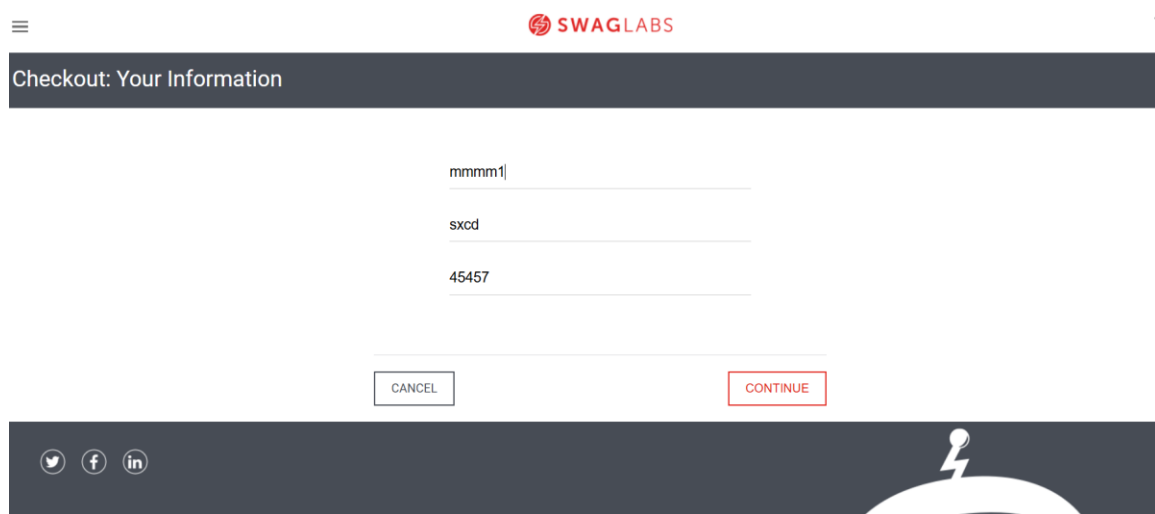

Expected Result: show error message with "Error: numbers are denied"

Actual Result: accepting the input data without error message

Priority: High

Severity: Minor

Screenshots:

The screenshot shows the Swag Labs checkout page. At the top, there is a navigation bar with the Swag Labs logo and a hamburger menu icon. Below the navigation bar, the page title is "Checkout: Your Information". The form contains three input fields: "first name" with the value "mmm1", "last name" with the value "sxcd", and "zip code" with the value "45457". At the bottom of the form, there are two buttons: "CANCEL" and "CONTINUE". The "CONTINUE" button is highlighted in red. Below the form, there is a footer bar with social media icons for Twitter, Facebook, and LinkedIn, and a lightning bolt icon.
